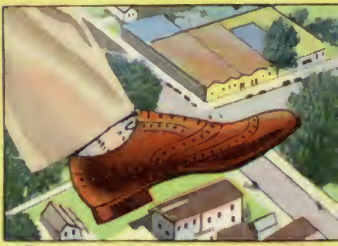
PORTO-PED
Air Cushioned SHOES *by* PORTAGE

WAR TIME
FOOT-O-GRAPHS
FROM LIFE

To soften landings, Paratroopers wear boots with air cushion insoles.



The impact of your 18,000 steps a day equals many 1000-ft. parachute jumps

That's why you need the protection of Air Cushioned Porto-Ped Shoes. Every step in Porto-Peds is cushioned on air, and the added support of a flexible Arch-Stay gives you unbelievable comfort.

Step in today and see them.
